

**AORTIC 2009 PROVISIONAL PROGRAMME
PRE-CONFERENCE | MONDAY, 9 NOVEMBER**

14h00 - 18h00	PC1.1 Pre-conference meeting	
	Boardroom	
	AORTIC Council Meeting	

PRE-CONFERENCE | TUESDAY, 10 NOVEMBER

08h00 - 17h00	Registration	
	Kikwete Foyer	

09h00 - 16h00	PC2.1 Pre-conference workshop	
	Muhimbili Hospital	
	Surgical workshop Sponsored by Storz	
	Radical laparoscopic hysterectomy S Puntambekar (India)	
	Laparoscopic radical prostatectomy A van der Merwe (SA)	

10h30 - 11h00	Refreshment break	
	Kikwete	

13h00 - 14h00	Lunch	
	Kikwete	

09h00 - 16h00	PC2.2 Pre-conference workshop Kambarage (translation) (250)	PC2.3 Pre-conference workshop Mandela (translation) (200)	PC2.4 Pre-conference workshop Mkapa (80)	PC2.5 Pre-conference workshop Annan (30)	PC2.6 Pre-conference workshop Nujoma (30)
	Fundamentals of clinical research Sponsored by University of Chicago Office of Clinical Research Chairs: K Moodley (SA), A Falusi (Nigeria), O Olopade (USA), CS Olopade (USA) Pre-test (30) What is clinical research? (25) O Olopade (USA), P Gonzalez (USA) Evolution of GCP (25) K Moodley (SA) Regulatory authorities (25) A Falusi (Nigeria) Recruitment and retention of study participants (25) K Moodley (SA) Informed consent (25) CS Olopade (USA) Document management (25) P Gonzalez (USA) Safety reporting (25) P Gonzalez (USA) Investigational product accountability (25) C Babalola (Nigeria) Panel discussion: scientific integrity (30) CS Olopade (USA), A Afolabi (Nigeria) Post-test (30)	Pathology Chairs: JM Kabongo (DR Congo), S Bayo (Mali), A Adesina (USA) Introduction and overview (15) S Bayo (Mali) Chair: JM Kabongo (DR Congo) Pathology and the changing future of medicine (35+10) A Adesina (USA) Chairs: JO Ogunbiyi (Nigeria), S Bayo (Mali) Tissue collection for research studies in a low resource environment (40+10) A Nelson (USA) and A Adesina (USA) Chairs: Y Tettey (Ghana), L Ngendahayo (Rwanda) Clinical case presentations and discussion of challenging and interesting cases (10+2 each) I Ekanem (Nigeria) EE Akang (Nigeria) M Diomande (Ivory Coast) M Odida (Uganda) Chairs: A Nelson (USA), JM Dangou (Senegal) Cytopathology and FNA in low-resource settings (35+10) J Thomas-Ogunniyi (USA) Chairs: EE Akang (Nigeria), TBA Pathology of breast carcinoma (40+10) E Brogi (USA) Chairs: TBA, I Yawale (Nigeria) Pathology of prostate carcinoma (40+10) G Ayala (USA) Summary and concluding remarks (10) A Adesina (USA)	Cancer epidemiology Chairs: X Bosch (Spain), S de Sanjosé (Spain) 1. Epidemiology (120) i. Epidemiology and the burden of the most common types of cancer: breast, liver, lung, stomach, cervix ii. The main cancer risk factors in Africa: inter alia, tobacco, hepatitis, helicobacter, HPV X Bosch (Spain), X Castellsagué (Spain), S de Sanjosé (Spain) 2. Hands-on with Globocan (60) S de Sanjosé (Spain) 3. ICO-HPV information centre (30) X Castellsagué (Spain) 4. E-oncology (120) X Bosch (Spain), X Castellsagué (Spain)	Palliative care for cancer in Africa Supported by Open Society Institute Chairs: JC Holland (USA), S Perrier-Bonnet (France), A Merriman (Uganda) Cancer: the suffering in Africa: facing the reality 2009 Session 1: Setting the scene in Africa today Chairs: L Thambo (Malawi), A Merriman (Uganda) Expected outcomes for the day (10) Setting the scene: why home care in Africa (30) F Mwangi-Powell (Uganda) Setting up a clinical service in a government/university hospital (20) M Leng (Uganda) Reaching out to the community: lessons learned in setting up a clinical PC service in a university teaching hospital (20) O Soyannwo (Nigeria) Setting up PC in a Middle Eastern country (15) H Rais (Tunisia) The role of PC associations in Africa (15) R Kiwanuka (Uganda) Discussion (10) Session 2: Increasing coverage Chairs: JC Holland (USA), R Kiwanuka (Uganda) The role of partnerships (20) F Mwangi-Powell (Uganda) Introducing PC to francophone and lusophone Africa (10) S Perrier-Bonnet (France) Partnerships in action: Cote d'Ivoire and Mozambique (20) A Baguma (Uganda) Discussion: are the needs of new services being met? (30) Report back and discussion (30) Session 3: Practical aspects of a service	Prevention of cervical cancer Chairs: N Broutet (Switzerland), M Chirenje (Zimbabwe), N Keita (Guinea) Primary prevention of cervical cancer (09h00 - 11h00) Introduction: cervical cancer prevention - overview of primary and secondary prevention (20) R Sankaranarayanan (France) WHO position on HPV vaccination (20+10) N Broutet (Switzerland) Lessons from Uganda: implementing HPV vaccination (20+10) E Mugisha (Uganda) Rapid HPV testing (20+10) J Jeronimo (USA) Secondary prevention of cervical cancer (11h30 - 13h00) Introduction: update on WHO Screen and Treat projects in Africa (20+5) G Mgomella (Kenya) Country updates on Screen and Treat programmes (10 each) i. Malawi ii. Zambia iii. Madagascar iv. Tanzania v. Nigeria vi. Uganda

			<p>Chairs: S Perrier-Bonnet (France), F Mwangi-Powell (Uganda)</p> <p><i>The public health approach to PC (15)</i> A Merriman (Uganda)</p> <p><i>Reaching the needy: suitable education programmes from the community to the university (15)</i> M Leng (Uganda)</p> <p><i>Practical aspects of service: tools for clinical assessments (15)</i> C Nawangi (Uganda)</p> <p><i>Can PC work in francophone Africa? (15)</i> B Kouassi (Ivory Coast)</p> <p><i>Accessing funding for PC services in Africa (30)</i> F Mwangi-Powell (Uganda)</p> <p><i>Panel discussion and feedback with country groups (60)</i> Facilitator: F Mwangi-Powell (Uganda)</p>	<p>The way forward (14h00 - 16h00)</p> <p><i>How can we improve the performance of cervical cancer prevention programmes? (20+10)</i> N Keita (Guinea)</p> <p><i>Future directions in secondary prevention (20+10)</i> M Chirenje (Zimbabwe)</p> <p><i>Afro-WHO strategies for the future (20+10)</i> JM Dangou (Senegal)</p> <p><i>Discussion (30)</i></p>
--	--	--	--	--

DAY 1 | WEDNESDAY, 11 NOVEMBER

08h00 - Registration

17h00
Kikwete Foyer

11h30 - 13h30	<p>SI.1 Symposium 1 <i>Kambaraqe (translation) (250)</i></p> <p>GlaxoSmithKline symposium on HPV vaccines <i>(refreshments will be served at 11h00 and a box lunch will be served at 13h30)</i></p> <p><i>Welcome and opening: objectives and scope of the meeting (10)</i> G Hacking (Belgium)</p> <p><i>Epidemiology of HPV/CC in Africa (20)</i> I Adewole (Nigeria)</p> <p><i>Immunology of HPV: importance of high and sustained antibodies; role of neutralising antibodies; HPV 010 (H2H) (25)</i> L Gissman (Germany)</p> <p><i>Cervarix™ Clinical data: HPV 008; HPV 023 (7.3 years efficacy data) (25)</i> N Bhatla (India)</p> <p><i>HPV vaccine introduction 'Ugandan experience': update on demonstration project (25)</i> E Mugisha (Uganda)</p> <p><i>Discussion (10)</i></p> <p><i>Wrap-up (5)</i> O Oladehin (Nigeria)</p>	
---------------	---	--

14h30 - Refreshment break

15h00

15h00 - 17h00	<p>SI.2 Symposium 2 <i>Kambaraqe (translation) (250)</i></p> <p>Merck-MSD symposium on HPV vaccines <i>(refreshments will be served)</i></p> <p><i>The burden of HPV-associated disease (20+10)</i> X Bosch (Spain)</p> <p><i>The immunology of HPV vaccines (20+10)</i> M Stanley (UK)</p> <p><i>Clinical efficacy of the quadrivalent vaccine (20+10)</i> L Denny (SA)</p>	<p>SI.3 Symposium 3 <i>Mandela (translation) (200)</i></p> <p>Novartis symposium on haematology <i>(refreshments will be served)</i></p> <p>Chairs: C Williams (Canada), M Durosinmi (Nigeria)</p> <p><i>Topic TBD</i> M Durosinmi (Nigeria)</p>	<p>SI.4 Symposium 4 <i>Mkapa (80)</i></p> <p>13h30 - 17h00 Axios symposium <i>(refreshments will be served)</i></p>
---------------	--	--	--

17h30 - 19h00	<p><i>C1. Ceremony 1</i></p> <p><i>Kikwete (translation)</i></p> <p>Opening ceremony</p> <p>Chair: JF Holland (USA), Founding Member, AORTIC and Professor, Mount Sinai Medical Center</p> <p><i>Welcome, introductions and opening remarks</i> T Ngoma (Tanzania), President, AORTIC (15)</p> <p><i>Opening remarks</i> S Gueye (Senegal), President-elect, AORTIC (10)</p> <p>J Harford (USA), Director, Office of International Affairs, National Cancer Institute (NCI) (10)</p> <p><i>Building partnerships with African scientists</i> M Foti (USA), CEO, American Association for Cancer Research (AACR) (10)</p> <p>O Brawley (USA), Chief Medical Officer, American Cancer Society (ACS) (10)</p> <p>O Olopade (USA), Council Member, AORTIC and Professor of Medicine and Human Genetics, University of Chicago Medical Center (10)</p> <p>F Cavalli (Switzerland), Immediate Past President, International Union Against Cancer (UICC) (10)</p> <p>C Wild (France), Director, International Agency for Research on Cancer (IARC) (10)</p> <p>Hon Prof Dr DH Mwakyusa (Tanzania), Minister for Health and Social Welfare</p> <p><i>Guest of Honour and AORTIC Patron</i></p>
------------------	---

19h00 - 21h00	<p>Welcome reception (refreshments will be served)</p> <p><i>Kikwete</i></p>
------------------	--

DAY 2 | THURSDAY, 12 NOVEMBER

07h00 - 17h00	<p>Registration</p> <p><i>Kikwete Foyer</i></p>
------------------	---

08h00 - 08h45	<p><i>K2.1 Keynote 1</i></p> <p><i>Kambaraqe (translation) (250)</i></p> <p>Keynote lecture <i>The global epidemiology of cancer (30+15)</i> P Boyle (UK)</p>	<p><i>K2.2 Keynote 2</i></p> <p><i>Mandela (translation) (200)</i></p> <p>Keynote lecture <i>Breast cancer in Africa: the need for contextual approaches (30+15)</i> J Harford (USA)</p>
------------------	--	---

09h00 - 11h00	<p><i>P2.1 Plenary 1</i></p> <p><i>Kambaraqe (translation) (250)</i></p> <p>Tobacco-related cancers</p> <p>Chairs: R Machang'u (Tanzania), L Onigbogi (Nigeria)</p> <p><i>The burden of death and disease from tobacco use (10)</i> T Glynn (USA)</p> <p><i>Tobacco control in Africa: what will work (15)</i> Y Saloojee (SA)</p> <p><i>The Framework Convention on Tobacco Control: by Africa, with Africa, for Africa (20)</i> P Lambert (SA)</p> <p><i>Panel: Spotlight on tobacco control issues of vital importance to Africa (45)</i> <i>i. Smuggling: supporting war in the DRC</i> P Musavuli (DR Congo)</p> <p><i>ii. Tobacco farming: the poverty trap</i> L Kagaruki (Tanzania)</p> <p><i>iii. Smokeless tobacco use</i> OA Ayo-Yusuf (SA)</p> <p><i>iv. Tobacco industry targeting in Africa</i> R Kitonyo (Kenya)</p> <p>Discussion (30)</p>	<p><i>P2.2 Plenary 2</i></p> <p><i>Mandela (translation) (200)</i></p> <p>Breast cancer in Africa</p> <p>Chairs: O Olopade (USA), P Ndom (Cameroon), L Esserman (USA)</p> <p><i>Surgical management of breast cancer and establishing a research infrastructure (20+10)</i> CA Adisa (Nigeria)</p> <p><i>The role of pathology in the evaluation of breast cancer (20+10)</i> JM Dangou (Senegal)</p> <p><i>Inflammatory breast cancer from a Western perspective (20+10)</i> S Formenti (USA)</p> <p><i>Role of oophorectomy in ER-positive breast cancer (20+10)</i> R Love (USA)</p>
------------------	---	--

11h00 - 11h30	Refreshment break Poster session Kikwete				
11h30 - 13h00	<p>W2.1.1 Workshop 1 <i>Kambaraqe (translation) (250)</i></p> <p>Palliative care for cancer in Africa <i>Supported by Open Society Institute</i></p> <p>Chairs: F Mwangi-Powell (Uganda), L Denny (SA)</p> <p>The oncology-palliative care interface 2009: working together</p> <p><i>PC in oncology (20)</i> T Ngoma (Tanzania)</p> <p><i>PC where there is no oncology (10)</i> L Thambo (Malawi)</p> <p><i>PC where there is oncology (10)</i> R Kiwanuka (Uganda)</p> <p><i>PC where there is no affordable oral morphine (10)</i> L Finch (Malawi)</p> <p><i>Supporting the PC needs of the patient in the cancer ward: children (15)</i> C Byarugaba (Uganda)</p> <p><i>PC within a cancer control activity (15)</i> J Cleary (USA)</p>	<p>W2.1.2 Workshop 2 <i>Mandela (translation) (200)</i></p> <p>National Cancer Control Programmes</p> <p>Chair: JM Dangou (Senegal), WHO, UICC, ACS</p> <p><i>WHO Cancer Control Programme: holistic approaches in cancer prevention; cure and care; cancer prevention and control in the WHO African region (25+15)</i> JM Dangou (Senegal)</p> <p><i>NCCP planning: what is a comprehensive NCCP, why is a comprehensive NCCP needed, and what does an NCCP look like? Vision, strategies and planning (25+15)</i> TBA</p>	<p>W2.1.3 Workshop 3 <i>Mkapa (80)</i></p> <p>Free communication of abstracts <i>(9 oral presentations, 8+2 each)</i></p> <p>Chairs: C Hunter (USA), S Gueye (Senegal)</p>	<p>W2.1.4 Workshop 4 <i>Annan (30)</i></p> <p>Free communication of abstracts <i>(9 oral presentations, 8+2 each)</i></p> <p>Chairs: G Dreyer (SA), C Gombé-Mbalawa (Congo-Brazzaville)</p>	<p>W2.1.5 Workshop 5 <i>Nujoma (30)</i></p> <p>Free communication of abstracts <i>(9 oral presentations, 8+2 each)</i></p> <p>Chairs: R Anorlu (Nigeria), P Ndom (Cameroon)</p>
13h00 - 14h30	Lunch Poster session Kikwete

19h30 AORTIC 2009 gala dinner

DAY 4 | SATURDAY, 14 NOVEMBER

07h00 - Registration

17h00

Kikwete Foyer

07h00 - 08h00	<p><i>B4.1 Breakfast session</i> <i>Kikwete</i></p> <p>Supporting families of the terminally ill</p> <p>Chairs: A Merriman (Uganda), JC Holland (USA)</p>	<p><i>B4.2 Breakfast session</i> <i>Kikwete</i></p> <p>Urological malignancies: translating research results into improved clinical care in Africa</p> <p>Chairs: T Rebbeck (USA), S Gueye (Senegal)</p> <p><i>Topics for discussion:</i></p> <ol style="list-style-type: none"> Prostate cancer screening Biosample research Predicting clinical outcomes Using pathology, genetics, and risk factor data Recruiting participants to clinical research <p>Panellists: G Haas (USA), EO Olapade-Olaopa (Nigeria), F Angwafo (Cameroon)</p>	<p><i>B4.3 Breakfast session</i> <i>Kikwete</i></p> <p>International collaboration</p> <p>Chair: JF Holland (USA)</p> <p><i>A multi-organisational session. Each participant will state:</i></p> <ol style="list-style-type: none"> their interest in Africa why they see Africa as an important continent what resources they bring (5 each) <p>AACR, ACS, ASCO, European Commission, IARC, NCI/NIH, UICC, WHO</p>
08h00 - 08h45	<p><i>K4.1 Keynote 1</i> <i>Kambaraqe (translation) (250)</i></p> <p>Keynote lecture</p> <p><i>Cancer registries - what is the future? (30+15)</i> DM Parkin (France)</p>	<p><i>K4.2 Keynote 2</i> <i>Mandela (translation) (200)</i></p> <p>Keynote lecture</p> <p><i>The role of NGOs in cancer control in Africa (30+15)</i> TBA</p>	
09h00 - 11h00	<p><i>P4.1 Plenary 1</i> <i>Kambaraqe (translation) (250)</i></p> <p>Advocacy <i>Supported by American Cancer Society</i></p> <p>Chairs: A McMikel (USA), S Ayettey (Ghana)</p> <p><i>Advocacy: the force multiplier in the fight against cancer (10)</i> S Ayettey (Ghana), A McMikel (USA)</p> <p><i>Getting cancer on Tanzania's health agenda (20)</i> S Maongezi (Tanzania)</p> <p><i>Making cancer a global priority (20)</i> C Neal (USA)</p> <p><i>Cervical cancer advocacy: how the public, private and NGO sectors can and are collaborating to improve access to screening and prevention (20)</i> J Ralston (USA)</p> <p><i>Engaging the media to raise cancer awareness (20)</i> A Thom (SA)</p> <p><i>Discussion (30)</i></p>	<p><i>P4.2 Plenary 2</i> <i>Mandela (translation) (200)</i></p> <p>Haematological malignancies in Africa</p> <p>Chairs: C Williams (Canada), M Durosini (Nigeria)</p> <p><i>Viral origin of t-cell malignancies (20+4)</i> W Blattner (USA)</p> <p><i>Human T-cell leukaemia/lymphoma virus type 1 (HTLV-1) infection in Nigeria: an historical perspective (20+4)</i> C Williams (Canada)</p> <p><i>AIDS-related lymphomas in Africa (20+4)</i> NA Othieno-Abinya (Kenya)</p> <p><i>Kaposi sarcoma (20+4)</i> Z Mohamed (SA)</p> <p><i>Treatment of multiple myeloma in resource-poor communities (20+4)</i> TBA</p>	

11h00 - Refreshment break 11h30	Kikwete	
11h30 - C4.1 Ceremony 1 13h00	Kikwete (translation)	
	Closing ceremony	
13h30 - PC4.1 Post-conference meeting 17h30	Boardroom	
	AORTIC Council Meeting
